

University of Management and Technology
committed to building futures

19 August 2003

Mr. Reginald L. J. Hsu
President
UMT (Shanghai) Alumni Association

Dear Mr. Hsu:

On behalf of the University of Management and Technology, I am writing you to congratulate the establishment of UMT (Shanghai) Alumni Association as well as inauguration of its website www.umat-ecm.com. We are pleased to know that you are elected as the first president of the association. Congratulations!

I still remember that Dr. Yanping Chen, UMT President, and I visited Shanghai in the summers of 2000 and 2001. During our first trip in 2000, we were honored to meet your Mayor, Mr. Chen Liangyu, to learn exciting development plan of Shanghai city and its bright future into 21st century. In our second trip in 2001, we were excited to meet more than two hundreds UMT's students in Shanghai. From all of you, we were pleased to see UMT's involvement in building your city's future by providing needed education to our students in Shanghai region. Today, we are even happier because yesterday's students are today's UMT alumnus and alumna! Welcome to UMT's global family!

As UMT's alumni, we hope all of you keep UMT's spirit of "committed to building futures" alive and use the knowledge you have learned and schoolmates you have gained at the UMT to build futures for yourself, your organization, your beautiful city and your lovely country. All of your futures are UMT's!

Best regards,

J. Davidson Frame, PhD
Academic Dean
University of Management and Technology
