

*Student Achievement*

Institution Name: University of Management and Technology

Academic Period: 2024 Calendar Year

**See pages two and three for directions and definitions.**

<i>Program Name</i>	<a href="#"><u>Indicators<sup>1</sup></u></a>	<i>Outcome</i>
MSM-PM	Graduation Rate	73%
MSM-PM	Retention Rate	80%
MSIT-ITPM	Graduation Rate	79%*
MSIT-ITPM	Retention Rate	86%*
MBA-PM	Graduation Rate	53%
MBA-PM	Retention Rate	74%
DBA-PM	Graduation Rate	53%
DBA-PM	Retention Rate	87%
ECPM	Graduation Rate	38%*
ECPM	Retention Rate	38%*

Indicators

<i>Indicator</i>	<i>Description of indicator and calculation method</i>
Retention Rate	<p>Cohort: A group of students who enrolled during the same period of time and within 150% of normal program completion time designated by the University. The 150% of normal program completion time for various programs at UMT are: ECPM 3 years; MSM-PM and MSIT-ITPM 4.5 years; MBA 7.5 years; DBA 10.5 years.</p> <p>Returned Students: The number of students in the Cohort who returned to study in the following year.</p> <p>Retention Rate: <math>(\text{Number of Returned Students} / \text{Number of Students in the Cohort}) \times 100</math></p>
Graduation Rate	<p>Cohort: A group of students who enrolled during the same period of time and within 150% of normal program completion time designated by the University. The 150% of normal program completion time for various programs at UMT are: ECPM 3 years; MSM-PM and MSIT-ITPM 4.5 years; MBA 7.5 years; DBA 10.5 years.</p> <p>Graduates: The number of students in the Cohort graduated prior to the end of the reporting year.</p> <p>Graduation Rate: <math>(\text{Number of Graduates} / \text{Number of Students in the Cohort}) \times 100</math></p>

**Additional Notes:** \*Program outcomes marked with an asterisk represent cohorts with fewer than 10 students.

Submission Date: 10/18/2025

<sup>1</sup> Indicators may include attrition, graduation rates, job placement, licensure pass rates, acceptance into graduate programs.
